Workforce Readiness

Hope Inspired Ministries is looking for a few good HR professionals who are willing to give a little of their time to perform mock interviews.

Hope Inspired Ministries seeks to serve those who are low skilled, poorly educated, and chronically unemployed by preparing and equipping them to obtain and maintain employment through an 11-week job training course.

Our program is relational and transformative in nature, providing more than 400 hours of training, including life skills, employment skills, character building, unpaid internships with local businesses and GED training.

What makes our program different is that we are relational in nature, meaning we invest time in peoples' lives and walk out this process of transformation with each our students. We are willing to walk hand-in-hand as they walk out this journey and hold them accountable to meet the high standards of our course. We not only want to instill education, soft skills and training into our students, but we also want to help them become the person God intended for them to be.

The interviews will take approximately 2 hours starting at 1:30 p.m. on the following dates:

- ◆ December 14
