To Now, Motivational
Keynote Speaker!
*“When it comes to your VICTORY,
It’s your mindset that counts.”*
MATT JONES

Matt Jones is known as the “Eight Continent Marathon Man.” He went from being a three-time cancer conqueror to relearning how to walk, to going through a bone marrow transplant, to completing eight marathons on eight continents. This includes Antarctica and the and yes that includes Antarctica and the newly discovered continent of Zealandia. Matt was diagnosed with cancer on September 11, 2002. After spreading to the fluid in his brain doctors did not think he would live. After victoriously conquering cancer, he was told by his doctor, no one has gone through what he did and be alive one year later. Baseball Hall of Famer George Brett said, “Matt is a true champion and his story inspires others to be a true champion.” Olympic Gold Medalist Scott Hamilton said, “Matt Jones has done what anyone would consider impossible. Conqueror. Overcomer. Champion. Superhuman. None of those words do him justice.” Matt is the author of numerous books and travels around the world sharing his inspiring story and message. As a bonus ** Each attending member will receive a signed copy of Matt’s new book, Happiness is a Marathon: 26.2 Ways to Stay Happy at Work and in Life.**
