

SHRM

Montgomery

ADVANCING THE PROFESSION AND SERVING THE PROFESSIONAL

General Membership Meeting

Date: Thursday, September 17th, 2020

Topic: DOL and all things COVID

Speaker: Alabama Dept. of Labor

Gold Sponsor: WeScan

Time: Lunch Meeting
11:30 AM to 1:00 PM

Location: Capital City Club
201 Monroe Street
Montgomery, AL 36104
Parking Deck Code: 394367

*****This meeting is for SHRM Montgomery members only (no guest/students will be allowed at this meeting). You will have to be logged in to the site to see and register for the meeting.**

This meeting will be limited to the first 32 members who register. We will be following all CDC and Social Distancing guidelines. There is no cost for All-Inclusive members. The cost for Basic members is \$15. We look forward to seeing you there. Meeting recording will be available to members on our website afterwards.

Remember, seating is limited for the meeting. Reservations must be made and/or cancelled by the Friday before a meeting at 12:00pm. A cancellation fee equivalent to the meeting fee will be assessed for cancellations after this time. This applies to all members as the Chapter is responsible for the cost of reserved meals.***

WeScan™

Touchless Temperature Screening Kiosk

WeScan – Temperature Screening Kiosk is a non-contact kiosk designed to help prevent the spread of viruses and maintain a safe and healthy environment

The impact of WeScan™ in the workplace and high traffic areas is felt across a broad range of industries. From daycare centers and educational organizations, churches, city halls, courts, to jails, border patrol outfits, hospitals, and long-term care facilities, the ability to screen and protect against potential infections and illnesses is critical.

Today, WeScan™ helps address the need to control the spread of epidemics and pandemics by screening the source of infection, contagious humans. This helps reduce hospital acquired infections (and the additional costs of care), reduce sick time taken for businesses, and greatly reduce influenza risk in highly susceptible areas like the ICU. WeScan™ helps detect, identify, and notify personnel of potentially contagious people before they expose others.

Come join us for our September meeting where the Department of Labor will be discussing all things COVID-19!

We took some pictures of our last few in-person meetings to give you an idea of the measures we have put in place to keep everyone safe!
